October 2016

How time flies when you're having fun. After a slow start due to my shoulder surgery, it has turned out to have been a busy summer.

In July, Corvettes at the Summit in Canton went well. Several of us met at Tom & Sue Gamache's for coffee & bagels before caravanning to the show. With many really nice Corvettes, I was fortunate to take 3rd place in C-1.

In August, Corvette Crossroads in Mackinaw City was a little rainy. However, fellow members, Ron & Elizabeth Struck took 1st and Patrick & Ellie Lickfeldt took 2nd in C-1 with their '62s. Congratulations, Guys.

Our caravan to the 2016 National Convention in mid-Sept was mostly uneventful although Tom's '54 did spend the week in Bill's pole barn. A total of 21 C-1s from 1955 thru 1962 made the drive to Effingham, IL. Three cars won SACC awards from SACC President Max Brockhouse. Paul Lemieux won for his 1959 and two guys who drove 2800 miles, top down, on back roads from Oregon in their cars (a '58 & a '60) following an app for locating ethanol free gasoline won the other two awards.

The big item Michigan Chapter took away from the convention was a very strong suggestion that we need to step up & host the 2019 SACC National Convention in the Detroit Metro area. This is an opportunity to show off our cars on a big stage, close to home. We need your participation to make this a success.

Please join us at our Michigan Chapter Christmas Lunch at Karl's Cabin, 6005 Gotfredson Rd, Plymouth, MI on Saturday Dec 10 at 1 PM at for further discussion, Q&A & lots of Christmas cheer.

Huffman, Pres.

Michigan Chapter SACC

Don't forget our website: www.solidaxlecorvettemi.com

The happy group of Mi SACC members at the 2015 Christmas gathering. We are looking forward to the 2016 gathering. A gathering where we will be discussing the 2019 SACC national convention.

Mi SACC has received a request from the National SACC Board to consider hosting the 2019 SACC national convention in Michigan.

We have had a Board meeting to discuss the options, but we agreed that the entire membership should be involved in the process.

As this newsletter indicates:

“Michigan, where it all began.”

Hope to see you all on Dec. 10, 2016 with interest in supporting our Chapter as we explore the options and manpower necessary to host a successful national SACC convention in the Detroit Metro area.

We shall begin the discussion of possible events, host hotel, covered and secured parking, activities, etc at this luncheon. Please plan on attending and becoming involved in the initial planning stages.

**Please contact Bill Huffman
by Dec. 3, 2016
to indicate
your attendance at the
DEC. 10 luncheon.

Solid Axle Corvette Club

The Solid Axle Corvette Club is for enthusiasts who drive and show America's first sports car., our beloved C1's. The Solid Axle Corvette Club invites you to share our enthusiasm and dedication to the Solid Axle Corvettes, and to enjoy the fellowship of our members.

SACC is the initials of the Solid Axle Corvette Club. So, just what is a solid axle Corvette? The rear axle housing on all 1953 to 1962 Corvettes was a one-piece shell. The rear differential (rear gears) and the axles were mounted within this rear axle housing. (The rear axle housing is sometimes called a solid [or straight] axle housing.)

Beginning with the 1963 model year, Corvettes had an independent rear suspension (IRS). The rear differential is built into the center housing: universal joints and short shafts (called jack shafts) transfer power to the rear wheels. Each rear wheel reacts independently to the road surface, and has earned the nickname "rubber axle".

The Solid Axle Corvette Club (SACC) is a non-profit organization dedicated to the preservation, care, history, and enjoyment of the 1953 to 1962 Corvettes. Ours is a family oriented club with membership covering all members of your family. You do not need to own a Corvette to join.

Road Rules

The *Michigan* is the quarterly newsletter for the Michigan Chapter of the Solid Axle Corvette Club and is published four times yearly (Spring, Summer, Fall & Winter). It is published in PDF format, e-mailed to members in good standing.

Membership in the Michigan Chapter is open *only* to members of the parent organization, the Solid Axle Corvette Club. The Solid Axle Corvette Club is a non-profit organization, serving members with an interest in 1953—1962 model year Corvettes. Ownership of a Solid Axle or any Corvette is not necessary to become a member of the organization.

The newsletter provides a forum for members to communicate with other members. As a result, the newsletter will often contain member opinions. Those opinions should not be construed as an endorsement by Michigan SACC or the parent organization, SACC.

Direct National SACC Membership questions to:

Lucy Badenhoop, SACC NATIONAL
P.O. Box 2288
